

Grizzly Trail Motors is a proud sponsor of numerous organizations in Barrhead and surrounding area. One small way we help out is by providing a trailer barbeque for non-profit events. This BBQ is in high demand during the summer months and is available on a first come first serve basis. With this in mind please be prompt with your pick up and drop off times.

Please read the general information as well as the hook up and operating procedure for the BBQ in the printable BBQ instructions PDF on our website. Please print this form, fill it out and bring it with you to pick up the BBQ. Sign this form to accept you have read and understood the safe transportation and safe use of the BBQ.
